Echo Slide Shower MKII

ECHO COLLECTION

The Echo range of tapware has been specially designed for New Zealand's unique conditions.

Engineered according to Methven specifications it combines high quality and convenience. This sturdily constructed range is ultra-reliable even in heavy everyday use applications. The Echo range offers solutions to suit individual preferences and interior designs.

Echo Range Features

- Reliable consistent performance
- Superior quality ceramic cartridges prevent leaking and dripping
- Echo Strata shower mixer body cast with male connections for easy installation.
Male nipples supplied with the Minimalist range.
Shower mixer with Diverter with female connection.
- Full Methven after-sales support and service.
- Must be installed in accordance with manufacturers instructions for validation of warranties.
- For detailed technical and warranty information, please visit:
www.methven.com
- 5 Year warranty

WELS ratings

The New Zealand government's Water Efficiency Labelling Scheme (WELS) aims to facilitate water conservation by helping consumers to make informed choices about their chosen product's water efficiency.
